DESIGN INTERN

GRAPHIC & WEB DESIGN

COMMITMENT | Varies, Monday & Friday | 10a-3p

SALARY | Negotiable, based upon experience

JOB DESCRIPTION

Working directly with the Lead Designer, the Design Intern will learn the ins and outs of the graphic and web design process, as well as the core values of Fox & Crown Creative and how we collaborate to execute client projects as a team. The Design Intern is expected to attend creative meetings, and assist the creative team with client and company projects, research and other tasks as assigned. Design projects will be assigned as an opportunity to demonstrate design expertise and accrue hands-on experience. These projects will be overseen by the Lead Designer and Creative Director.

PREFERRED REQUIREMENTS

- Posses a general understanding of graphic design and web design fundamentals
- Experience with InDesign, Adobe Photoshop, and Illustrator
- Familiarity with Apple computers
- Have a passion and a drive for the creative profession
- Self starter with strong creative and analytical skills
- Desiring a career as a designer and creative professional
- Able to produce resume, cover letter and portfolio of graphic design work
